The SKN-NOCS is a hierarchical classification system which divides the Major Economic Sectors into Major Occupational Groups, Minor Occupational Groups, Broad Occupations and Detailed Occupations. All workers are classified into one of several detailed occupations according to their occupational definition. To facilitate classification, detailed occupations are combined to form broad occupations, minor groups and major groups. Detailed occupations in the NOCS-SKN with similar job duties, and in some cases skills, education and /or training are grouped together. The information on the Detailed Classification Structure represents the Major Group 1- Coded 11-0000 – 53-0000 and Special Group 00=0000 designed for Government Occupations.
